

HEALTH AND SAFETY POLICY STATEMENT

Utility Support Solutions Limited recognize our responsibility to provide safe and healthy working conditions, to encourage safe working methods and to enlist the active support of all personnel employed. In order to achieve this, we will:

- Document, implement and maintain a health and safety management system appropriate to the nature of the business that is reviewed on a regular basis
- Comply with applicable legislation, regulation and other requirements the company subscribes to
- Provide adequate control of the health and safety risks arising from our work activities
- Provide a framework for setting and monitoring Health and Safety Objectives
- Encourage continual improvement of the management system
- Consult with our employees on matters affecting their health and safety
- Provide and maintain safe plant and equipment
- Ensure safe handling and use of substances
- Provide information, instruction and supervision for employees and others working under the guidance of the company
- Ensure all employees are competent to do their tasks, and to give them adequate training
- Prevent accidents and cases of work-related ill health
- Maintain safe and healthy working conditions; and review and revise this policy as necessary at regular intervals
- Make this policy available to interested parties if required
