

QUALITY POLICY STATEMENT

Utility Support Solutions Limited is committed to continuous improvement of its products and services, enabling our company to meet and surpass the needs and requirements of our customers.

The company achieves this by setting objectives and by the application, review and continuous improvement of a documented management system as outlined in the System Manual. The Management Systems and Training Systems are designed to meet the requirements of BS EN ISO 9001:2015.

It shall be the responsibility of the company's management team to ensure that the procedures are implemented and regularly reviewed to reflect customer and company requirements and to ensure regulatory and legislative requirements are complied with.

This policy is communicated to all employees on induction and by tool box talk in the event of changes the policy and shall be made available to relevant interested parties on request.
